

# STRENGTH OF CHARACTER

*Melissa Maker from our Rockland office, hauling in the day's catch*

**H**ow do you define **strength**? Around here it's a constant presence – in the majestic power of the sea and in the people who go out to meet it everyday. That dynamic has built a unique culture of **trust** and **purpose**. And those are qualities that define our team of local agents. It's why we're driven to strengthen the **communities** we share and to share the lifestyle we cherish. Welcome to coastal Maine. We'd love to show you around.
