

## **SALES ASSOCIATES WANTED ROCKPORT & DAMARISCOTTA**

We need TWO self-starting individuals for each location that understands what customer service is all about. Floor Magic is a flooring, cabinetry, countertop, and window treatment retailer that installs what we sell. This individual will learn all types of our business and assume more responsibility as their knowledge builds.

The schedule will be dependent upon the successful candidate.

We are in need of someone to work in one showroom only for roughly eight hours a day for three days a week. Retirees are encouraged to apply!

Our work culture is collaborative and we generally have fun each day.
