

CITY OF ROCKLAND

Position Opening: Assistant Harbormaster

Application Deadline: May 31, 2022

The City of Rockland is searching for an Assistant Harbormaster. The Assistant Harbormaster assists with the general control and responsibility for ensuring the smooth operation of Rockland Harbor, the Public Landing, City of Rockland rental moorings, and Waterfront facilities, including the enforcement of related city ordinances while observing state and federal laws. The Assistant Harbormaster is also responsible for overseeing the operation of the Municipal Fish Pier by issuing permits to marine fishery users based on fees to cover operations and maintenance expenses. Complete job description and application are available on the City's website at www.rocklandmaine.gov. Interested candidates should submit an application, cover letter and resume to:
